

WOOL & WOOLLENS EXPORT PROMOTION COUNCIL (MINISTRY OF TEXTILES, GOVT. OF INDIA)

Invitation to Participate in Trends Expo - International Apparels and Fashion Expo, Warsaw, Poland

Greetings from WWEPC!

We are pleased to announce participation in **Trends Expo - International Apparels and Fashion Expo, The New Expo Hall, Warsaw, Poland to be held from 11th to 13th September, 2024.**

Trends Expo is one of the leading international apparels & fashion show in Europe and has been taking place at the largest B2B expo centre for the clothing and textile industry in Europe. The fair offers an excellent opportunity to establish new business relations and gain access to less accessible sources of supply, supporting the dynamic development of enterprises. It is also a chance to enrich one's own offerings in wholesale quantities. The show covers various categories, including women's clothes, men's clothes, kids' clothes, tailoring accessories, fashion accessories, footwear, and materials for the apparel industry. The show brochure is attached for your reference.

Poland presents a vibrant market for Indian textiles, given its growing clothing and textile industry and increasing demand for high-quality, diverse apparel. Indian textiles, known for their rich heritage, exquisite craftsmanship, and unique designs, have the potential to make a significant impact in the Polish market. By participating in the Trends Expo, Indian exporters can showcase their products to a broad audience, connect with key industry players, and explore new business opportunities, thereby enhancing their export potential to Poland and beyond.

We have secured a **90 sqm premium shell booth, featuring table spaces (measuring 9 sqm approx) where each company can customize their own setup.** Please find the booth visual and show brochure attached for your reference.
