Greetings from WWEPC!

Dear Member,

WWEPC is organizing participation in **MIDA – the Florence International Crafts Fair, Italy, scheduled from 25th April to 3rd May, 2026**. This event provides a unique opportunity for quality artisans, creators and entrepreneurs to gain global exposure.

MIDA is a dual-format fair catering to both B2B and B2C audiences, allowing exhibitors to connect directly with international buyers as well as retail consumers. Every year, MIDA welcomes artisans and craft businesses from various sectors to the Fortezza da Basso, offering visitors an experience that celebrates the richness, diversity and quality of craftsmanship - both traditional and innovative. MIDA, Italy's first certified crafts fair, was founded in 1931 and has since become a landmark event, attracting visitors and professionals from around the world. The fair attracts more than 65,000 visitors and features over 520 exhibitors from 32+ foreign countries.

The 90th edition in 2026 will feature a special celebration combining tradition with new and engaging experiences. This fair is an excellent opportunity for exporters of shawls, stoles, garments, handloom products and handicrafts to showcase their strengths and expand their international presence.
